PERSONAL PAK

Here is what you need to send us so we can construct your Personalized Custom Grafix!

For: 600x600 pixel Grafix

- 1) Your photo that you would like to have personalized (please specify which person to show-case... i.e. "the blonde in the green shirt").
- 2) A basic idea of what you would like done with the image in regards to the handling of the background. (If you do not provide an idea, we will use a basic Zoom Blur).
- 3) Tell us what (if anything) you would like written out on your Grafix.

For: 200x200 pixel Grafix (i.e. Default Facebook pic)

- 1) We will use the picture and design you specified for the above 600x600 Grafix (if applicable).
- 2) Tell us what (if anything) you would like written on your Grafix.

For: E-mail Signature

- 1) We will use the picture and designed for the above Grafix.
- 2) Shoot us your contact information that you would like to have displayed in all your e-mails.
- 3) Please specify if you would like any color theme or would like a certain font to be used.

E-mail Us!!!

Send me an e-mail with all the things listed above! I'm looking forward to designing your Personalized Custom FanGrafix image!
